# Download

Winrar. Daemon Tools. Nume: Neighbors From Hell 2. Marime: 602 MB. Creator: JoWood. Trimis de: Liliakul. Download: At the center of the events is a group of gangsters involved in arms trafficking across Europe. The heroine of the game is the daughter of the ringleader, Leah, who wants to put an end to her family's activities. You will have to visit different countries and solve many different problems. This can be as elimination of competitors, as well as solving riddles or searching for treasure. The game begins with,
