The epic fantasy action RPG Tarnished Prince, developed by M2, has reached the PAX East 2018 main presentation. M2 is delighted to introduce Tarnished Prince, a new fantasy action RPG for smartphones, and celebrate the release of the Tarnished Prince demo, available now on Google Play and the App Store. Tarnished Prince is a world-class RPG that draws from the best aspects of action, role-playing games, and tactics. Players can freely adapt their style of play as they advance through the story. Players can enjoy classic turn-based combat with 60 characters in a 3D environment. Move quickly to avoid enemy attacks, unleash powerful finishing moves, and control powerful magic spells by drawing on the characters' own spiritual energy. Everyone who plays Tarnished Prince will be required to be brave to fight against the dark forces that threaten their existence. During the main presentation at PAX East 2018, players will also get to see more information about the game, including rules, systems, and characters. Game Features ► Take on a Giant Adventure Take on the role of Layla, the daughter of a merchant, and plunge into a world full of mystery and adventure. A huge world full of excitement awaits you. ► Come to an Epic Drama Story in Fragments In a multilayered story told in fragments, the game is divided into three sessions. Play through the story as the merchant Layla, the leader of the band, and the protagonist Rosh. ► Three Game Styles for Players to Choose from Tarnished Prince features classic turn-based combat with 60 characters, fast and free-flowing combat, and tactical turn-based battles. And the controls are easy to use, helping you to focus on combat while quickly switching back and forth between players. ► The Power of the Elden Ring An epic fantasy with martial arts and action. Raising the power of the Elden Ring and becoming an Elden Lord will allow you to create a powerful bond with your companions. ► Four Classes of Characters with Their Own Story The Guardians whose mission is to maintain peace and protect their fellow creatures, the Fighters are known as defenders of justice and peace, the Warriors who are fearless and the supreme warriors of the Elden Ring, and the Elden Lords who lead the fight against the forces of darkness. ■ M2's Developer Interview: M2 Media Inc.

I strongly recommend to players who love fantasy MMO.

We are such fan of fantasy, where you can live together with other players in the same world.

We would like to sincerely invite you to the PvP style MMO, who are dying for such a chance.

The aircraft manufacturer on Wednesday began manufacturing the first of three Dreamliner 787s that will fly to the company's new worldwide customer support center in Sydney, Australia. Russia's United Aircraft Leasing, which leases airplanes to airlines, said it would transport the first 787 Dreamliner aircraft to Australia from Boeing's Everett, Washington, manufacturing facility in mid-September. AAE is already flying Boeing 787 Dreamliners from its seats in Sydney to Auckland, New Zealand, and Atlanta, Georgia, at full airline capacity, spokeswoman Kristin Rapkiewicz said. She said the company is leasing a third 787 Dreamliner to start before the end of 2015, in anticipation of additional Boeing 787 Dreamliners becoming available. "United is excited to fly Dreamliner," Rapkiewicz said. "We see this as a great opportunity to make a direct connection with the people in Sydney and to welcome these airlines to the Dreamliner family." Approximately 10,000 people work at the AAE facility, which opened in 1998 and is the largest Boeing certified widebody aircraft factory in the world, Rapkiewicz said. More than 60 percent of its workers are Australians, she said. According to Boeing, the Dreamliner is the first major new aircraft offering in over 25 years. The airplane's key features are 787's composite, birdcage, cabin pressure system, which allows a lower cabin pressure at altitude than in other models, resulting in smoother and quieter flights. What's new in Elden Ring:

@Jonathan - Hi, sorry for the long time! I've been a little busy -- in good way -- just got married August 1st. I started a new job and am living in the land of Kansas now, spending my time farming the

land... Mostly I wanted to ask what the reputation on this truck is like. Is it worth the price? We're thinking of getting it, but have a) never had a Trans Am before and b) we aren't sure if it's a good idea to get the version without mags. There's some of a bad reputation for it, but I've been around plenty of which had the same reputation. I just want to make sure it doesn't have huge issues that I'd have to work around... Also, I have the Fuel Boost (and freaking love it!) But I've been getting this nasty fluid leak thing since I got it. I don't know if the Fuel Boost is to blame, I'm not sure what the fluid actually leaks out of though I've had the antenna knocked back in and about and all that stuff. Anyway, how is it? Is that the same as the Fuel Boost, or is it something I have to wait out in the garage? I can drop everything and just wait it out in there, or is the problem something I need to work on fixing on my own?]]> THE NEW FANTASY ACTION RPG.Rise, Tarnished, and be guided by grace to brandish the power of the Elden Ring and become an Elden Lord in the Lands Between.@Jonathan - Hi, sorry for the long time! (album) Government is the self-titled debut album by the short-lived Bay Area band Government, which was formed in 1968 by drummer Terry Berg and guitarist Wayne Kinney. In 1969, the original band lineup of Berg, Kinney, guitarist Bryan MacKenzie, and bassist Mark Anderson was augmented by keyboardist and songwriter Bill Jelinek and saxophonist Steve Goodman. In 2000, the group self-released a CD entitled The Untouched Masterpieces. The album featured the original album, plus two new tracks, "Inner Plane" and "Steady". In addition, the album was remastered and the additional tracks were re-issued on one compact disc. In 2001, the album was reissued on CD with the original album included in a three-CD box set entitled The Ultimate Government, along with all of the group's earlier albums. A third CD of bonus tracks was packaged with the album. The group's other albums, which included I'll Be Your Man, Swingin' with Soul, and Where the Pigs Fly, were later released by Sundazed Records on three CDs. Reception After two more albums for Vanguard, the group disbanded. Government's early releases showed some promise, and the group's later albums turned out to be mostly strong debut efforts. The Allmusic review by Thom Jurek asserts that the album is a strong debut that contains "a growing confidence, good songs, and a strong sense of fun."
