“Well, how about it?” When the crowd of adventurers is silent, the Elden Lords select one of the adventurers they think will fit best for the upcoming mission. “As one of the best, I’d like to appoint you, Esteban!” “No problem, your honor.” This is “The Recruit”, the first episode of the upcoming action RPG. In it, Esteban, a young and invincible adventurer, is summoned to the Elden Ring, a world of savage monsters and dark terrors, by the benevolent king Ortess. Along with a grand party of adventurers, he sets out to slay monsters and retrieve a chest of ancient magic. • Action-RPG with a Heavy Fantasy Atmosphere FEATURES ■ Maps with Three-Dimensional Viewpoints and Challenging Missions The map is the main view in action RPGs. In a world with countless monsters, the map shows the current locations of all monsters and units. When you enter a map, a three-dimensional world appears, and you can freely move around in it. The map also lets you move around in real time, where you can travel as if you were on a real, adventure-filled field. ■ 3D Fantasy Maps and Point-and-Click Adventure Game Tasks You can move around in the three-dimensional world, moving and attacking at the same time. In addition, switch between a bird’s-eye view, looking down at ground level, to a top-down view, where you can see all the positions of your units, and then a point-and-click interface, where you can find objects and enter dungeons. ■ Linear Narrative □ A Dynamic Story of Characters In the Lands Between, a vast and different world, there are many Elden Lords, leading their communities and watching over the land. As you advance in the story, you must collect deeds to help your lord, as well as choose a path by selecting from three characters. ■ Friendly Online Play □ You Fight Alongside Other Players You can directly connect with other players and travel together. In addition, you can fight alongside them, all while enjoying the same story. ■ Comfy Difficulty Setting □ We Have Difficulty Settings for Everyone A different difficulty setting is

MEADOW LANDS "POWER RANGER", a three-dimensional RPG which I previously made for the iPad, on its arcade action game scene "Emilia".

Gameplay

The heavy influences of Emilia, the legendary RPG that has influenced many of the genres in the past, shine through the users of MOVEiD's PPN platform. THE NEW FANTASY ACTION RPG also allows you to engage in an "RPG battle" that incorporates an additional Action RPG game mode.

In THE NEW FANTASY ACTION RPG, you are required to traverse the Lands Between of the Elden Domain, and expand the lands of your own. In short, this is an interactive world where you can freely enjoy the vistas and battles of your choice.

The basic design of the gameplay is very simple. In the game screen, two areas are presented: "Travel" and "Battle."

In the Travel screen, you can select destinations. The area in the right is the map screen. To the right of

MOST POPULAR FEATURE Top 50 Pokémon of All Time Can you believe there are now six generations of Pokémon? Six!! That's a crazy amount of different creatures to collect. But which are the cream of the crop? Don't worry, Magikarp isn't actually one of them. I am a PS3 owner and someday hope to be a PS4 owner, yet I am not at all dissatisfied with my choice to delay purchase, solely based on the current PS4 library. When I transitioned from a Playstation 1 to a Playstation 2, I was pleasantly surprised that I could for the most part rid myself of my PS1... We've selected a number of our favorite metal tracks culled from around the world in early 2007 and compiled them to a definitive album full of righteous fun. **METAL, OF COURSE.** From Anthrax (USA), Strapping Young Lad (USA), Testament (USA), Devin Townsend (Zeltser), Fear Factory (The World Needs a Hero), Primal Fear (Italy), Åresund Crisis (USA), Sikh
